Paul Harris Society

A Special Calling for Rotarians

*The Paul Harris Society:
a select group of Rotarians who
remain constant in their support
of doing good in the World*

Paul Harris Society recognizes Rotarians and friends of The Rotary Foundation who annually contribute \$1,000 (or more) to the Annual Programs Fund, PolioPlus or the Humanitarian Grants Program.

Your gift will advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty. Your contribution supports activities such as:

- Vocational and on-the-job training for land mine victims in Cambodia
- Hand-washing stations, training for teachers, and in-depth hygiene training for students at a school in Ecuador
- A scholarship for a Japanese student to study effective adult learning methods abroad
- Milking cows for farmers in Russia
- Microcredit loans to women in Togo
- Reading and mathematics textbooks for students in the United States of America

Projects like these depend on the ongoing support of dedicated Rotarians and friends like you.

Thank you for making Rotary a priority in your philanthropy.
